Objective of the Event/Programme:

1. To create awareness among faculty members about the **reformed accreditation framework** and its alignment with NEP 2020.
2. To sensitize faculty members towards **quality benchmarks, outcome-based education, and continuous improvement practices** in higher education institutions.
3. To enhance faculty understanding of the **role of IQAC in strengthening teaching-learning processes, research culture, and institutional governance** for achieving academic excellence.

Name of the Resource persons:

Mr. Srikanth & Ms. Kavya (IQAC Faculty Coordinators)

About the programme with photographs:

A Faculty Enrichment Programme (FEP) was conducted by the **Internal Quality Assurance Cell (IQAC)** on 15th December 2025 on the theme *“Accreditation Reforms – A Step Towards Accelerating Quality Initiatives of Higher Education Institutions.”* The programme was handled by **Mr. Srikanth and Ms. Kavya, IQAC faculty members**, who explained the evolving accreditation framework in line with NEP 2020 and the growing need for outcome-based and technology-driven assessment systems. The session covered key accreditation attributes including curriculum design, faculty resources, infrastructure, governance and administration, student outcomes, research and innovation, and sustainability initiatives. Special emphasis was laid on holistic and multidisciplinary education, industry–academia linkages, innovation and entrepreneurship

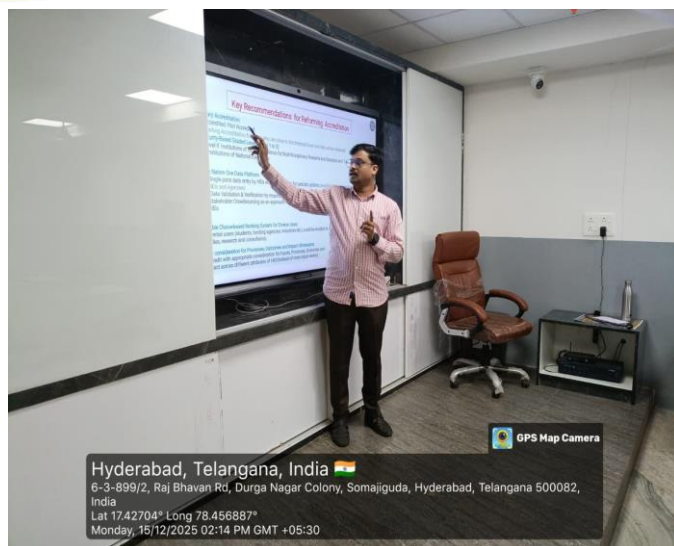

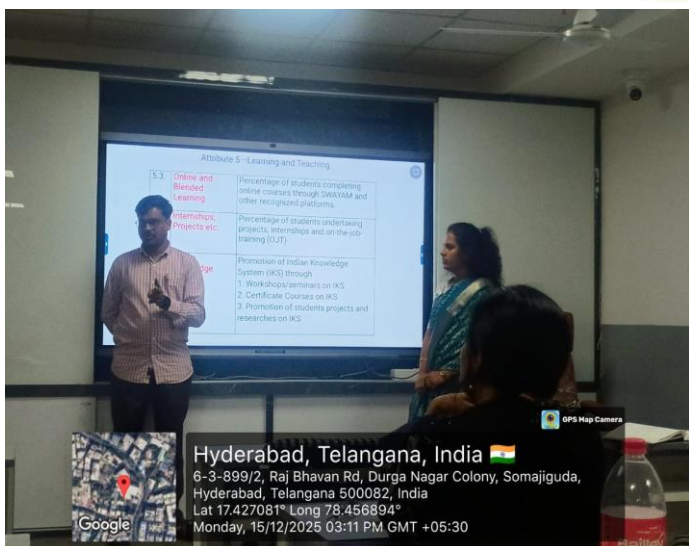

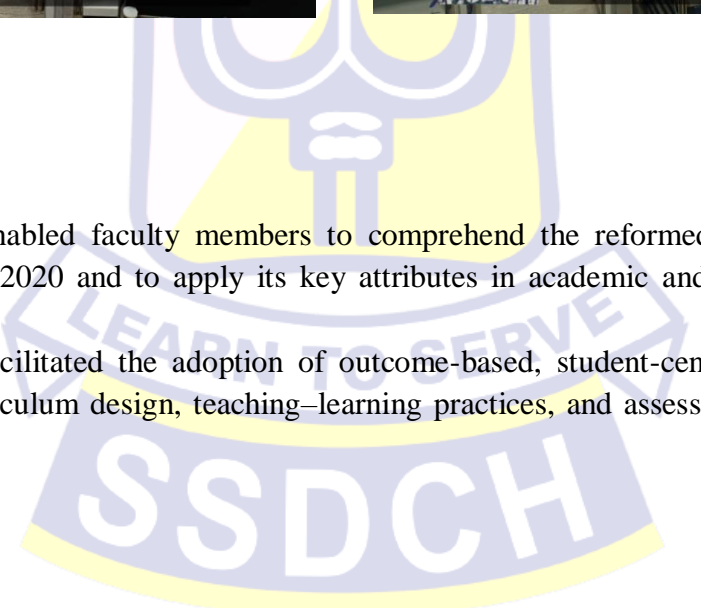

ecosystem development, and the role of institutions in nation building and global engagement. The programme enabled faculty members to gain clarity on quality benchmarks, institutional preparedness, and best practices for continuous improvement, thereby strengthening the quality culture of the institution through the proactive role of IQAC.

Here are the few glimpses of the event:

Learning Outcomes:

1. The programme enabled faculty members to comprehend the reformed accreditation framework aligned with NEP 2020 and to apply its key attributes in academic and administrative processes.
2. The programme facilitated the adoption of outcome-based, student-centric, and multidisciplinary approaches in curriculum design, teaching–learning practices, and assessment strategies to enhance educational quality.

3. The programme strengthened faculty capacity to implement best practices in research, innovation, governance, and sustainability, thereby contributing to continuous institutional improvement and quality assurance mechanisms.
