Poster Making Competition

Date: 24-07-2025

No. of Participants: 17

Objective of the Event/Programme: The objective of the Poster Making Competition was to commemorate the 65th Anniversary of Siva Sivani Institutions by encouraging students to creatively express their ideas through visual design. The event aimed to foster originality and innovation aligned with the theme, promote the effective use of digital design tools, and enhance students' artistic, aesthetic, and visual communication skills while providing a platform to showcase their talents.

About the programme with photographs:

The Departments of Computer Science and English of Siva Sivani Degree College - Hyderabad, jointly organized a Poster Making Competition on 24th July 2025 to mark the 65th Anniversary of Siva Sivani Institutions. The theme of the competition was '**Celebrating 65 Glorious Years of Siva Sivani Institutions**'. Students from various streams including **BCA, B.Sc. (AI & ML), BBA, BBA(BA) and B.Com (CA & BA)** participated in the competition.

Participants used different online design platforms like Canva, Adobe Spark, Photoshop and other digital tools to create inspirational digital posters. The posters were judged on creativity, originality, relevance to the theme, and design quality.

The competition witnessed vibrant creativity as students expressed their thoughts through meaningful quotations and aesthetic designs. The initiative encouraged students to explore digital tools, improve their artistic expression, and develop innovative thinking.

The event concluded with appreciation from the Principal, Mrs. V. Sarika Raj, who congratulated all the participants for their innovative contributions.

Learning Outcomes:

1. Students enhanced their creative and digital design skills by using various online tools.
2. They gained confidence in expressing ideas visually through impactful posters.
3. The competition fostered a sense of pride and belonging by celebrating 65 years of the Institution's legacy.
4. Students understood the importance of combining creativity with technology for impactful communication.
